Special Needs

Class Name: LOVE MANIFESTED

Instructors: Rubbie Patrick-Herring, Juanita & George Bass

Meeting Date: Sunday 8:30 AM – 9:30 AM

Duration: 12 weeks

Love Manifested is a Bible study that addresses the needs of developmentally challenged teenagers and adults through simplified curriculum design, adaptive materials and instructional approaches. This Bible study makes the "Bible" and "Christian living" comprehensible so students will know the way to salvation and how to serve God. Love Manifested creates an environment within the church that allows God's special students an opportunity to participate and to learn at their own pace and ability. This class empowers and equips students to be Disciples of Christ—to serve God, His Kingdom, and His church.

Materials Required: Study materials will be provided.

This class serves our deaf community and strives to nurture students in becoming independent servants.
