

Then he said to his disciples, "The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field." Matthew 9:37-38 (NIV)

Are You Ready For Harvest Time?

Our children indeed yield our greatest harvest if we plant the seeds of imagination on fertile ground. I am asking you to come and be a planter as a Children's Ministry Servant Volunteer. Your service to this ministry will directly impact the next generation of leaders who may one day remember you in their acceptance speech! Now is the time to reach out to our children. Studies show that 83% of believers in Christ come to their faith before age 13.

In less than two weeks, we will unveil one of the most beautifully appointed Children and Middle School facilities in the city. We need you to come and help us unleash the imaginative capacity this new facility is equipped to embrace. The available support positions include:
