

LANE COLLEGE

December 12, 2011

To the Pastor or Their Representative:

The Final Examinations of Lane College were held on December 6-9, 2011. Following detailed computations, it has been determined that a member of your Church joins a select group of scholars who have gone to great lengths to earn status as an Honors Scholar.

It is no secret that so many of our young do not enroll in college. So many others find the rigors and requirements so difficult that they must retreat for various reasons.

But there are the few who persist to high achievement. It is these persons who deserve to be recognized for their dedication, scholarship and excellence. We would be remiss if we didn't also recognize the singular role played by home and Church.

As you have agreed to make known the academic achievements of one of your own, and in the public, we cannot find words to express our joy in knowing that a deserving student's name has been entered into your records.

Needless to say, we thank you and ask that you will continue to support the onward journey of this deserving student. As we go forth from here, we all know that the journey will grow increasingly difficult. But, with steadfast love and a firm belief that God is able, there is absolutely no reason to fear.

Thank you for what you have done. And may God continue to spread His Almighty Grace upon you and others who surround you at this time.

Most sincerely offered,

Wesley Cornelious McClure
