

MBCC HELPING HANDS AND HEARTS MBCC is hosting our **2nd Helping Hands and Hearts Servants Mission** on October 25, 2008. The mission of the Helping Hands and Hearts Ministry is to respond to the needs of elderly persons with physical challenges and the chronically ill by offering a free service to clean their homes, and do yard work. Our goal is to have MBCC servants spend at least one half of a day in each home and be an extra set of cleaning hands, to serve and be a blessing throughout our community. Recipients of this service will be selected from Manna Outreach, the community and the MBCC church family.

Once again we are soliciting the servants at Mississippi Boulevard Church to assist in this blessed event. This ministry allows you the opportunity to contribute something useful to the Body of Christ and enjoy the fellowship as you work. The Lord wants us to use our special gifts to glorify Him and to bless others.

This second year, we are especially in need of your help to ensure that the campaign is a success! We desire to provide cleaning services to over 80 homes and we can not do it without your support!

You can support this ministry by doing **2 things**:

- 1) Help us develop the list of 80 homes that will receive this service
Distribute "Service Request Forms" to elderly and chronically ill individuals in your community
Collect and return the forms to MBCC – Helping Hands and Hearts Ministry no later than
September 29, 2008
NOTE: *Recipients of this mission will be selected on a first come first basis.*

- 2) Sign up to be a volunteer by October 13, 2008. This mission will be held on
Saturday, October 25th (8:30am -1:00pm).

The Helping Hands and Hearts Ministry Sign-up table will be available after church service each Sunday beginning September 14, 2008 thru October 12, 2008.

Thank you for your consideration of this matter; we hope you will help MBCC take on this worthy cause!
